

CMMS STEM Challenge Soda Can Challenge

Name:

Your Goal:

Conduct several tests to determine which soda cans sink or float in water.

	Type of Soda	Hypothesis Sink or Float?		Result
1		<input type="radio"/>	<input type="radio"/>	
2		<input type="radio"/>	<input type="radio"/>	
3		<input type="radio"/>	<input type="radio"/>	
4		<input type="radio"/>	<input type="radio"/>	
5		<input type="radio"/>	<input type="radio"/>	

**Think about what happened to the cans.
Why do you think that some sank and others floated?**
